

June

We have made it to June and our last official day of school for students is June 26th. Our final week; 6/24, 6/25 we dismiss at noon and June 26th, the last day, students are dismissed at 10:30.

It has been wonderful to watch your children learn and grow. This fourth grade group is very special to me because they began kindergarten my first year and if you have a fourth grader you know we have been through a lot together. I am so proud of this wonderful group of students we are sending to Gillette Road Middle School, I know they will make us proud! We also say good-bye to our third graders as they head to Gillette with our fourth grade team.

Please check your e-mails and make sure you receive Parent Square updates because we know many of you are eager to get your room assignments and check out your new schools, whether you are heading to St. Margaret's or Gillette we will announce tour dates in August.

Have a wonderful, safe summer and I wish our third and fourth graders the best of luck next year.
