2025-2026 School Calendar

Provisions for School Closing **Due to Weather-Related Conditions or Other Emergency Situations**

The following will apply relative to the 2025-2026 school year calendar to ensure that school closings for emergency situations do not cause the number of days in session to drop below the number required by law.

Contingent School Days

In the event that classes have to be cancelled for more than six (6) days, school will be in session for all PreK-12th grade students beginning with April 2, then April 1, March 31 and March 30, as needed. As a result, staff is cautioned not to commit themselves to any irrevocable plans for the spring recess in the event that any or all of these days will be required to make up for lost instructional days.

In the event that there are two (2) or more unused emergency closing days by April 15th, one (1) of those days shall be added to the Memorial Day Holiday. In the event that the allotted snow/emergency days are not used, Pre-K-7 days may be shortened accordingly on June 25, 24, 23 based on the number of snow days not used.
