## Thoughts from the Superintendent

### **Graduates Leave Their Mark on the District**

Congratulations to the Class of 2017! As they leave us to pursue their life's journey, the Class of 2017 has certainly made a long standing impact on the North Syracuse Central School District.

Four years ago, our school community included students in the development of our District's Mission statement. Two student leaders emerged in the process that had a predominant influence on the final wording of our mission. Little did we know at the time, that those two students, Sarah Wicks and Olivia Vinciguerra would become the Valedictorian and Salutatorian of the Class of 2017!

It was the leadership of students in the Class of 2017 who had the vision to help create a student run credit union within our high school, providing endless educational opportunities and experiences aligned with the real world. It is their leadership that raised the voice of students, developing an annual student survey to provide input and feedback that will shape an environment where our students will be able to thrive.

As a collective group, in addition to demonstrating commitment and leadership, the Class of 2017 exuberated compassion, kindheartedness, and a respect for others. They were influential in embracing the inclusion of all, making it possible for those faced with challenges to socialize and attend sporting events. It was their collective character that led to Cicero-North Syracuse High School being presented with the New York State Award of Excellence for Exemplary Display of Sportsmanship, Ethics and Integrity.

Over the years, those of us who have been educators have come to realize that classes have personalities. The Class of 2017 is an amazing group of students who have left a mark on the district!

We wish them well as they pursue their goals and dreams! May they always continue to reach for the stars!

## C-NS Class of 2017

### Valedictorian & Salutatorian

Congratulations to Sarah Wicks (pictured left) and Olivia Vinciguerra (pictured right) the Cicero-North Syracuse High School Class of 2017 valedictorian and salutatorian.

Following is some brief information about the top two students and their plans for the future.

#### Valedictorian: Sarah Wicks

**Parent(s):** Andrew and Linda Wicks

**Plans after high school:** Attend Dartmouth College majoring in biology and economics on the pre-med track.

**Who has inspired her the most:** My teachers have inspired me the most by encouraging me to dream big, but also reassuring me that I can't be perfect all the time.

**Favorite quote or saying:** "Be somebody who makes everybody feel like somebody." - Kid President

**What is your advice to your graduating class?** If an opportunity presents itself to you, just say yes. You regret the "what ifs" in life more than the "oh wells."

**What do you do to relax and unwind?** I love going to the gym or playing tennis, but my absolute favorite thing to do is dance around the house like a fool while blasting my favorite songs. I definitely recommend it for anyone needing to have some fun.

#### Salutatorian: Olivia Vinciguerra

**Parent(s):** Kim Vinciguerra and the late Paul Vinciguerra

**Plans after high school:** Attend Syracuse University, pursuing two majors (economics and management) and a minor in Spanish.

**Person who has inspired her the most:** Throughout high school, my mother has inspired me the most. After the unexpected loss of my father two years ago, she was able to keep her head on straight enough to take over his business and to continue to take care of three children, enduring along the path of her new life and never giving up strength.

**Favorite quote or saying:** "You don't have to have it all figured out to move forward." - Roy T. Bennett

**What is your advice to your graduating class?** The advice I'd like to offer to the graduating class is that no matter how hard life can be sometimes, there is a way out and a light at the end of the tunnel will come. It won't come immediately or easily, but you will find a solution; you will find peace.

**What do you do to relax and unwind?** After a long few days of hard work, the best way to relax that I have found is to kick back on the beach with my feet in the sand and a good book in hand. There's no better way to escape reality and enter into bliss.

## SUMMER MEAL PROGRAM

# MEET UP and EAT UP™

Children in our community do not need to go hungry this summer. For many kids, summertime means food, friends and fun. For families who count on school breakfast and lunch, however, the summer months can be stressful and family food budgets have to be stretched even further. The US Department of Agriculture's (USDA) Summer Food Service Program helps fill the hunger gap.

FREE summer meals, funded by the USDA, are available to kids and teens ages 18 and younger at Roxboro Middle School (300 Bernard Street) in Mattydale, NY. This is an open site therefore free meals are available to all children ages 18 and under regardless of income. Registration is NOT required.

The district's summer feeding program will take place at:

**Roxboro Road Middle School**, Monday through Friday through August 18. Breakfast will be served each day from 8:10 a.m. to 9:00 a.m. and lunch from 11:00 a.m. to 12:30 p.m.

If you or someone you know is interested, go to [www.nscsd.org/summerfood](http://www.nscsd.org/summerfood) or call 315-218-2175 with any questions you may have.

## District Publications

Wednesday, September 6, 2017 is the first day of school for the 2017-18 school year. In late August, the complete 2017-18 school calendar will be mailed to homes of families with school-aged children. If you would like to view the district's academic calendar before you receive your copy in the mail, make sure to visit our home page at [www.nscsd.org](http://www.nscsd.org) and click on the "2017-18 Academic Calendar" news article.

For the 2017-18 school year, the *District Dispatch* will be published in August, April, May and July. Additional publications will be provided as needed, with all available online ([www.nscsd.org](http://www.nscsd.org)) and sent out electronically.

## Five teams win Sectional Championships in 2016-17 school year!

## Gillette Road Middle School's Eileen Gleason is North Syracuse Central School District 2017 Teacher of the Year

The North Syracuse Central School District is proud to announce its 2017 Teacher of the Year winner: Eileen Gleason, a 6<sup>th</sup> grade teacher at Gillette Road Middle School. Eileen will go on to the statewide program for Teacher of the Year, sponsored by the New York State Education Department. She was recognized as North Syracuse Central School District's 2017 Teacher of the Year at the Monday, June 19 Board of Education meeting.

Eileen first came to the North Syracuse Central School District in 1995 as a 7<sup>th</sup> grade English Teacher for Roxboro Road Middle School. In 1997, she began teaching 6<sup>th</sup> grade at Gillette Road Middle School and has been there since. Eileen enjoys her job and has become connected with many of her students. She is very involved in the school community at Gillette Road Middle School, currently serving as a student council advisor and formerly being a member of the school's sunshine committee.

Eileen is dedicated to the success of all students and hopes to teach them to love learning. She said, "I see sixth grade as a transition year. If [my students] leave me loving school with a desire to continue learning, I have succeeded. My focus is not on me and the time I put in, my focus is on the student, on all of my students. I truly believe that each of them knows that they matter to me."

Eileen received multiple letters recommending her for Teacher of the Year. In his recommendation letter, Gillette Road Middle School Principal Christopher Leahey wrote, "Mrs. Gleason has a knack for building strong relationships with her students. Her students respect her as a teacher, role model and classroom leader. Mrs. Gleason relates to students and is knowledgeable about their academic skills, as well as their personal interests and family life. She leverages these positive, healthy relationships to motivate her students to establish goals, apply themselves and strive for academic excellence."

Other finalists in the North Syracuse Central School District 2017 Teacher of the Year competition were: Randy Matthews, KWS Bear Road Elementary School; Helen Moore, Early Education Program at Main Street School; Katie Tait, Smith Road Elementary School and Jill (Stephanie) Trubia, Early Education Program at Main Street School. Congratulations to all our dedicated finalists!

### PARENT NOTIFICATION REGARDING STUDENT WORK AND PHOTOS

During the school year, your son or daughter may have the opportunity to have his/her photo taken, video image and voice recorded, and/or art and written work published in connection with a school district activity or program. Your child's photo (image,) school work and/or name may be published in local newspapers, posted (displayed) on the district's internet site, or used by the requesting organization (local TV or print media) for programming, i.e., backup and their news stories. If you DO NOT want your child's picture, name or schoolwork to be used in newspaper articles, video, and/or district publications, including our district's website, please inform your school principal in writing.

**DATED MATERIAL – PLEASE RUSH**

## Gillette Road Middle School student earns MATH 180 Award for Academic Progress

Trevon Walker, a 6<sup>th</sup> grade student at Gillette Road Middle School, has been named one of only 15 recipients in 2017's prestigious 180 Student Awards from global learning company Houghton Mifflin Harcourt. The awards, now in their 11<sup>th</sup> year, honor students across the United States for their significant math and literacy gains using intensive intervention programs READ 180, MATH 180 and System 44.

During the school year, Trevon arrived in his MATH 180 class every day happy and ready to give 110%. In just one year, his math Quantile increased by 205 points. As his confidence in his math studies grew, so did his confidence and success in other subjects. Trevon discovered that math is applicable in numerous scenarios outside of the classroom – from sports to shopping, and as a result, was determined to achieve more and succeed both in and outside of his MATH 180 class. Trevon plans to one day go to college and continue to play sports.

Trevon received a \$500 cash prize for furthering his education! His nominator, Ms. Erika Gilbert, will receive a gift certificate for professional development publications from Math Solutions.

## NEW [www.nscsd.org](http://www.nscsd.org), starring YOUR STUDENTS, to launch soon!

The North Syracuse Central School District is excited to announce that our new and refreshed website will go live in mid-August! Early in the 2016-2017 school year, we conducted a website survey to find out what our families wanted to see on our site. The new [nscsd.org](http://nscsd.org) was created with survey feedback in mind.

The updated site includes improved calendar features, an interactive staff directory, changes to navigation and mobile responsive technology for browsing from phones and tablets. We've also improved the structure of our content, so users will get quicker reads and will see lots of pictures...of YOUR students! There are also many other smaller but important changes, all to help [nscsd.org](http://nscsd.org) help you get the information you need.

We will be working throughout the summer to transfer content from our old provider to the new pages. We hope you like the changes and ask for your patience as we continue to improve the site for you. Constructive feedback and comments are welcome by contacting our webmaster, Laurie Cook, at [lcook@nscsd.org](mailto:lcook@nscsd.org).

[www.nscsd.org/facebook](http://www.nscsd.org/facebook)

If you haven't already, don't forget to find us on Facebook this summer! If you are a Facebook user, please visit the district's Facebook page and "like" us. Our site is maintained for the community, by the district, and is updated frequently to share news of the latest student and staff achievements, school and district sponsored activities and events, and other district information. Share the page with your friends so that we can use Facebook to get information out to as many people as possible.
