## June

**We have made it to June and our last official day of school for students is June 26th. Our final week; 6/24, 6/25 we dismiss at noon and June 26th, the last day, students are dismissed at 10:30.**

**It has been wonderful to watch your children learn and grow. This fourth grade group is very special to me because they began kindergarten my first year and if you have a fourth grader you know we have been through a lot together. I am so proud of this wonderful group of students we are sending to Gillette Road Middle School, I know they will make us proud! We also say good-bye to our third graders as they head to Gillette with our fourth grade team.**

**Please check your e-mails and make sure you receive Parent Square updates because we know many of you are eager to get your room assignments and check out your new schools, whether you are heading to St. Margaret's or Gillette we will announce tour dates in August.**

**Have a wonderful, safe summer and I wish our third and fourth graders the best of luck next year.**

# A note from PTO:

June, you've arrived! I know for many June brings great relief, but for some it's also bittersweet. I want to thank every parent this year who has donated their time, money, or supported us in any way. We appreciate each and every one of you.

Yearbooks will be for sale the week of June 17th. Yearbooks this year will be \$14. **CASH ONLY PLEASE.** Please have students bring in their money in a sealed envelope with their name on it. There will be enough yearbooks for ALL students who would like to purchase one. Details for disbursement of yearbooks will be sent when plans are finalized.

If you are interested in holding a position on the PTO board next year, please email: [Lakeshorerdpto@gmail.com](mailto:Lakeshorerdpto@gmail.com) for more information pertaining to each position. We are looking to fill many positions.

Lastly, we know next year will look different. We promise as your PTO we will navigate our way through these changes the best way that we can, continuing to deliver the Lakeshore fun! Next year will also be my final year as PTO President. It has been an adventure I'm so grateful to have been a part of. As my youngest daughter (following renovation) will be in 4th grade, I plan to fully absorb the final year of my family's elementary school years.

Have a wonderful summer!

See you soon,  
Amanda Webb
