October 5, 2020

Dear North Syracuse Central School District Staff:

The District was notified by the Onondaga County Health Department late this afternoon that a staff member at KWS Bear Road Elementary School, has now tested positive for COVID-19.

Because notification was not made until late in the day and contact tracing measures will not be performed until tomorrow, the District is taking the proactive measure of closing the KWS Bear Road Elementary School Building for Tuesday, October 6. Students scheduled to attend in person learning at KWS Bear Road Elementary School on the 6<sup>th</sup> will switch to remote learning for the day.

All other schools in the District will operate as normal following the set hybrid schedule.

KWS Bear Road teachers will have access to the school. Building administration and office staff will attend.

The District will communicate with the Health Department throughout the evening and over the next days and weeks and will provide updates as necessary.

We appreciate your support and understanding on this matter. If you have any questions or concerns, please reference the District website at [www.nscsd.org](http://www.nscsd.org).

Sincerely,

A handwritten signature in black ink that reads "Daniel D. Bowles". The signature is written in a cursive, flowing style.

Daniel D. Bowles  
Superintendent of Schools
