September 28, 2020

Dear North Syracuse Central School District Parents and Guardians:

The District was notified by the Onondaga County Health Department late this afternoon that a second student at Roxboro Road Elementary School, the sibling of the earlier positive case, has now tested positive for COVID-19.

Because notification was not made until late in the day and contact tracing measures will not be performed until tomorrow, the District is taking the proactive measure of closing the Roxboro Road Elementary School Building for Tuesday, September 29. Students scheduled to attend in person learning at Roxboro Road Elementary School on the 29<sup>th</sup> will switch to remote learning for the day.

All other schools in the District will operate as normal following the set hybrid schedule.

The District will communicate with the Health Department throughout the evening and over the next days and weeks and will provide updates as necessary.

We appreciate your support and understanding on this matter. If you have any questions or concerns, please reference the District website at [www.nscsd.org](http://www.nscsd.org).

Sincerely,

Daniel D. Bowles  
Superintendent of Schools
