November 21, 2020

Dear KWS Bear Road Elementary Parents and Guardians:

On Friday, November 20, we notified the KWS BRE community that a staff member tested positive for COVID-19. We have been made aware that additional information is needed to complete the necessary contact tracing.

Out of an abundance of caution and concern for the health and safety of our staff and students, instruction at KWS Bear Road Elementary will be remote for all students on Monday, November 23 and Tuesday, November 24. We will use this time to work with the Onondaga County Health Department to complete the contact tracing process and contact impacted individuals. We will continue to closely monitor this situation and communicate updates, if necessary.

Sincerely,

Daniel D. Bowles
Superintendent of Schools
