November 22, 2020

Dear Cicero Elementary School Parents and Guardians:

We have been notified that a staff member at Cicero Elementary School has tested positive for COVID-19.

While confidentiality and privacy constraints prohibit us from providing personal information about the individuals impacted, we can let you know that the individual was last in attendance on Friday, November 20 and is currently in isolation as mandated by the County Department of Health

We are in the process of identifying staff and students thought to have been in close contact with the individuals and will be providing that information to the County Department of Health. All individuals suspected to have been in close contact will be quarantined outside of the building. The County Department of Health will be contacting any additional individuals.

Instruction at Cicero Elementary School will continue as scheduled on Monday, November 23. We will continue to closely monitor this situation and communicate updates when more information becomes available.

Sincerely,

*Daniel D. Bowles
Superintendent of Schools*
