Dear North Syracuse Central School District Students, Staff, Families, and Community Members,

I hope this message finds you well. I am writing to provide you with an update regarding our superintendent search process.

The North Syracuse Board of Education is approximately halfway through the process for finding our next superintendent of schools. Our search consultant, Dr. Cook from OCM BOCES, has completed all of the focus groups that gathered more specific information from various stakeholder groups, which included students, families and various combinations of staff. The feedback from the groups has been delivered to the BOE and will be used to help formulate questions and provide the board valuable information regarding what is most important to our community as we look for our next leader. We remain on track for an announcement of the successful candidate towards the end of November with a start date of January 1, 2025.

As always, we remain committed to transparency and will continue to keep you updated on our progress. Thank you for your continued support and engagement in this important process.

Sincerely,

Michael A. Mirizio

President, NSCSD Board of Education
